

Monday 14 October 2024

Dear Parents and Carers,

Willowbank Primary School is looking forward to another great year of teaching and learning and would like to inform you about our voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfill the Victorian curriculum, and we want to reassure you that all contributions are voluntary. The ongoing support of our families plays a crucial role in ensuring that our school can offer the best possible education and support for our students. We would like to thank you in advance for your support, which makes a significant difference to our school and the programs we can offer.

At Willowbank Primary School, our teaching and learning programs are grounded in best educational practices and research. We strive to offer learning opportunities that go above and beyond the standard curriculum and what is provided by government funding. Your contributions help us provide an enriched learning and teaching program for every student.

We make every effort to keep contribution requests to a minimum and affordable for all families. We would like to thank all families in advance for their financial commitment to support their children's learning at school. Families will be able to make Parent Payments using the Compass App after Monday, 3 February 2025.

For further information on the Department's Parent Payments Policy, please see the attached one-page overview.

Kind Regards,
